RESUME

ALDRIN R. J
Department of Mechanical Engineering
PHONE : +91 7598119522
GITHUB : https://github.com/Aldrin706
LINKEDIN : https://www.linkedin.com/in/aldrin-r-j

Objective:
A Self-motivated and detail-oriented mechanical engineering student with a strong interest in material science, nanotechnology, and product lifecycle management. Committed to continuous learning and innovation, with a strong dedication to work and delivering high-quality results. Seeking a challenging role in a dynamic environment to apply my skills.

Education:
2022 – 2026
B.E. Mechanical Engineering
Kumaraguru College of Technology
CGPA : 8.86 (till semester 5)
2021-2022
Ponjesly Public Matric Higher Secondary School
HSC Percentage: 93.83%
2019-2020
Ponjesly Public Matric Higher Secondary School
SSLC Percentage: 87.2%

SOFT SKILLS:
- Time Management
- Adaptability
- Event Management
- Communication
- Teamwork

TECHNICAL SKILLS:
- CADD Modelling (SolidWorks - Version-2023)
- Simulation (Ansys - Static Structural Analysis - Version 2024)
- Product Lifecycle Management (3D-Experience Launcher 24.23.427)
- Project Management (Excel – Version 2021)

Projects:

- **Borewell Rescue System:**

Proposed an innovative solution using an inflator system to safely rescue children trapped in borewells. Focused on material selection to ensure durability, flexibility, and efficiency, leveraging material science principles for optimal performance.

- **Prevention of Under-ride Accidents in Trucks:**

Currently developing an innovative side underride protection system with coconut fiber composite and resin coating to minimize impact during collisions. The design enhances energy absorption and structural integrity, reducing accident severity and improving vehicle safety.

Certification:

- Rapid Manufacturing
- Applied CFD Using OpenFoam
- Generative AI Using Fusion 360
- Additive Manufacturing
- 3D Experience 3DSymer Associate
- Excel For Data Analytics

Internship / Research:

- Jayam Engineering and Tools, SIDCO Industrial Estate, Coimbatore 641 049 | **2024.**
- Indian Space Research Organization, IPRC, Mahendragiri, Tirunelveli District | **2024**.

PERSONAL INTERESTS:

- Technical Documentation
- Blog writing
- Volunteering
- Teamwork
- Typewriting
- Teaching

LANGUAGES KNOWN:

- Tamil : Native/Fluent
- English : Proficient
- German : Basic

DOB : 15-08-2004

Address: 253,J3, Ponnagar Street, Parvathipuram, Nagercoil - 3
