CHINNA BABU GANDHAM

MECHANICAL ENGINEER

Kakinada-533002 +917989676810 :mrchinna76@gmail.com linkedin.com/in/chinna-babu-gandham

Objective:

Detail-oriented Mechanical Engineering Graduate seeking an entry-level Design engineer position to apply CAD modelling, drafting ,and problem solving skills in developing innovative and efficient mechanical solutions

Education

Bachelor of Technology in Mechanical Engineering Aug 2023- May2026

Aditya College of Engineering and Technology – CGPA: 7.38

Diploma in Automobile Engineering Aug2020-April2023

Andhra Polytechnic Kakinada – 74.6%

Skills

Design & Modelling AutoCAD |Catia| SolidWorks| Ansys| GD&T

Soft Skills Effective communication| Team Collaboration

Experience

NEXA Varun Motors Pvt ltd, Kakinada Jan 2023–June2023

Trainee Assisted in Automotive service, Inspection and maintenance

Design Team Member Sep2025 – Dec2025
Aditya Motorsports Club, [ADITYA UNIVERSITY]
Contributed to the Design, development and Analysis of Go kart as part of the college Motorsports Club.

PROJECTS

Design and Static Structural Analysis of Aircraft Landing Gear Modelled an aircraft landing gear system and carried out static analysis using ANSYS to understand how it handles real-world landing forces.

Complex Drive Train Hybrid Two Wheeler Vehicle :A two-wheeler drivetrain that switches power sources to improve mileage and reduce emissions, featuring automatic battery charging and a rare reverse gear. Gained hands-on experience with hybrid technology and mechanical design.

Certifications

AutoCAD 2D&3D - SV SOFTECH COMPUTER INSTITUTE | **Larsen &Turbo** - Design of Fire and life safety for buildings

CATIA -EXPERT SURFACE DESIGN - APSSDC **| CSWA- CERTIFIED SOLIDWORKS ASSOCIATE**
